Web Development Activity-Based Learning

NAME : Shaik Apsha

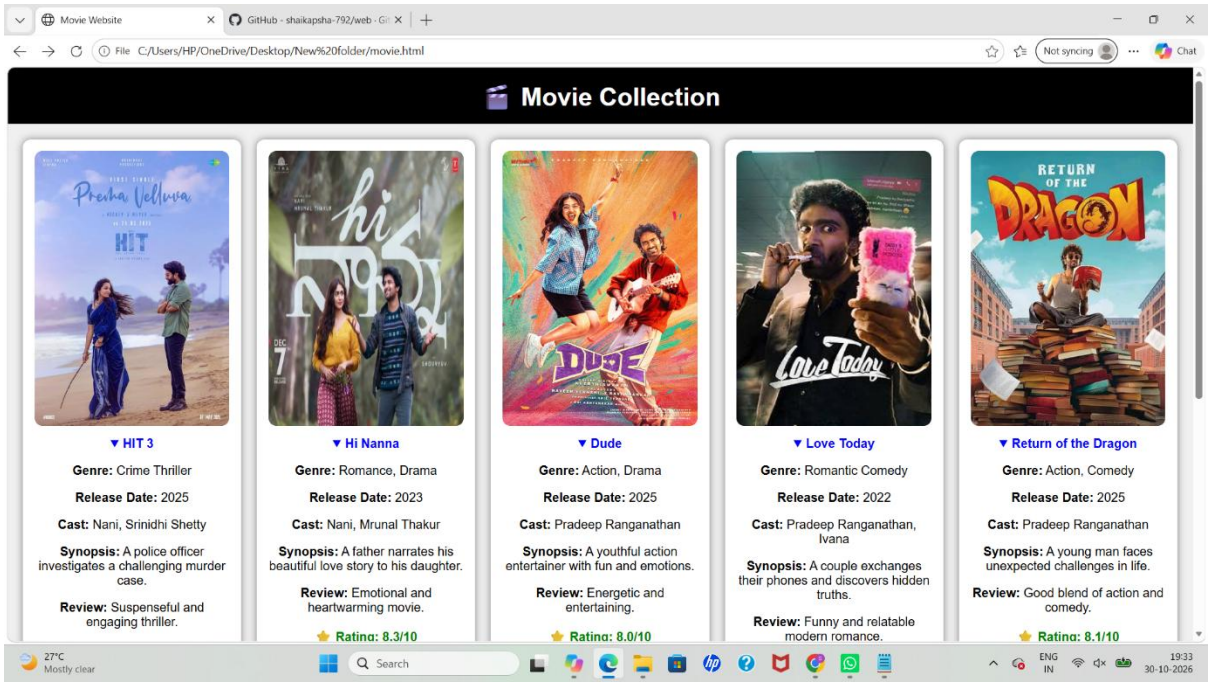

BRANCH : CSD

SECTION : 1

1. **Movie Review and Rating Website**

   Create a movie website featuring film posters, genres, release dates, cast information, synopsis, critic reviews, and rating displays. Use responsive grids and visually appealing movie cards.

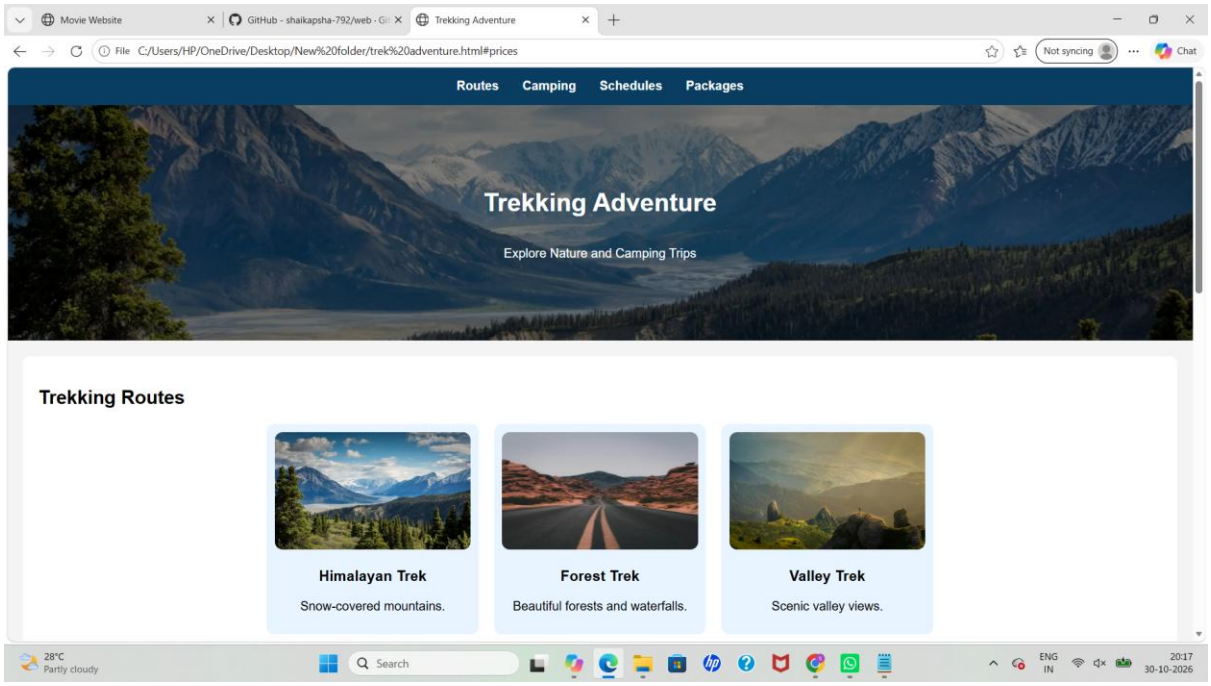

Output :

2. **Adventure and Trekking Website**

   Build a website showcasing trekking routes, camping trips, difficulty levels, trip schedules, equipment checklists, safety guidelines, and package prices. Use image overlays and visually distinct information panels.

Output :

3. **Conference and Seminar Registration Website**
   Develop an event website featuring event themes, keynote speakers, session schedules, venue information, registration forms, and participation guidelines. Use speaker cards and a structured agenda layout.

Output :

Movie Website
